

Zach Inscho

INTERACTIVE DESIGN AND DEVELOPMENT

917 838 7144 - zinscho@gmail.com - zachinscho.com

Experience

DRXLR, Baltimore, Maryland

Developer; November 2013 to May 2015

Developed websites and email campaigns for local and national clients including The Great Cookie, Mediaworks, M Power Yoga, SM+P Architects, Samuelson's Diamonds, Factory Athletics and Marks, Thomas Architects. Gained an expert knowledge of Wordpress, PHP, JS and Responsive Development and a working knowledge of the Shopify e-commerce platform.

R2integrated, Baltimore, Maryland

Designer; November 2011 to February 2013

Designed and developed websites, graphics and identities for internal projects and clients including Microsoft, Accelerate Baltimore, AMA Baltimore, Zmags, Blackburn, The Leukemia & Lymphoma Society and Mid-Atlantic Marketing.

Kreber, Columbus, Ohio

Designer; May 2010 to August 2011

Designed and developed print and web based media for clients like Dick's Sporting Goods, Lenovo, Scott's Miracle-Gro, Big Lots, Office Depot, Liberty Medical and Joann Fabrics. Assisted Art Directors and Photographers during photo and video shoots for clients.

Kennedy Museum of Art, Athens, Ohio

Designer; September 2008 to June 2010

Worked with the director of the museum and a design team of students and faculty to create a new identity and online experience for the museum. Produced interactive and print based media and worked with student groups for the museum's Education department.

MTV Networks, New York, New York

Creative Services Intern; Summer 2008

Worked alongside the Technical Director and Creative Services Producers to create successful interactive designs for internal sites and projects. Developed understanding of corporate identity, work flow and communication. Perfected knowledge of HTML/CSS while expanding knowledge in Actionscript, Javascript and XML.

Education
