Zach Inscho

INTERACTIVE DESIGN AND DEVELOPMENT

917 838 7144 - zinscho@gmail.com - zachinscho.com

Experience

Black Label Agency, Baltimore, Maryland
Designer and Developer; May 2017 to December 2017
Designed and developed websites for clients including the Maryland Chamber of Commerce, Health Pro Press and Edward Arthur Jewelers. Mastered knowledge of SASS and Git workflow with multiple team members.

Spokes Marketing, Baltimore, Maryland
Designer and Developer; May 2016 to May 2017
Designed and developed websites and email campaigns for clients. Managed multiple projects from initial kick-off through design and dev completion and client training while also handling website and server support for archived company projects.

DRXLR, Baltimore, Maryland
Developer; November 2013 to May 2015
Developed websites and email campaigns for local and national clients including The Great Cookie, Mediaworks, M Power Yoga, SM+P Architects, Samuelson's Diamonds, Factory Athletics and Marks, Thomas Architects. Gained an expert knowledge of Wordpress, PHP, JS and Responsive Development and a working knowledge of the Shopify e-commerce platform.

R2integrated, Baltimore, Maryland
Designer; November 2011 to February 2013
Designed and developed websites, graphics and identities for internal projects and clients including Microsoft, Accelerate Baltimore, AMA Baltimore, Zmags, Blackburn, The Leukemia & Lymphoma Society and Mid-Atlantic Marketing.

Kreber Graphics, Columbus, Ohio
Designer; May 2010 to August 2011
Designed and developed print and web based media for clients like Dick's Sporting Goods, Lenovo, Scott's Miracle-Gro, Big Lots, Office Depot, Liberty Medical and Joann Fabrics.

MTV Networks, New York, New York
Creative Services Intern; Summer 2008
Worked alongside the Technical Director and Creative Services Producers to create successful interactive designs for internal sites and projects.

Education

Ohio University School of Visual Communication
Athens, Ohio; 2006 – 2010
Bachelor of Science Visual Communication
Major in Interactive Multimedia
Minor in Fine Arts, Multimedia Society Vice President, Dean's List and Designer for The Post
*transcripts available upon request
